

UNITED STATES DISTRICT COURT
EASTERN DISTRICT OF CALIFORNIA

11 ANDRES MASQUEDA SERRANO,
12 Plaintiff,
13 v.
14 ROBERT RUDAS, et al.,
15 Defendants.

Case No.: 1:22-cv-00950-KES-CDB
**ORDER RESETTING REMAINING
DISCOVERY DEADLINES**
Discovery Deadline: 9/29/2025
Dispositive Motion Deadline: 12/1/2025

17 Plaintiff Andres Masqueda Serrano is proceeding pro se and *in forma pauperis* in this civil
18 rights action pursuant to 42 U.S.C. § 1983.

19 **I. RELEVANT BACKGROUND**

20 On July 10, 2024, this Court issued its Discovery and Scheduling Order. (Doc. 29.)

21 On November 19, 2024, Defendant Rudas filed a partial motion for summary judgment
22 alleging Plaintiff failed to exhaust his administrative remedies concerning Plaintiff's specific
23 allegation that Rudas failed to provide adequate medical care. (Doc. 39.) Plaintiff opposed (Doc.
24 47) and Defendant replied (Doc. 48-2).

25 On May 22, 2025, the undersigned issued Findings and Recommendations to Grant
26 Defendant's Partial Motion for Summary Judgment. (Doc. 52.)

27 On July 28, 2025, District Judge Kirk E. Sherriff issued his Order Adopting Findings and
28 Recommendations and Granting Defendant's Partial Motion for Summary Judgment. (Doc. 53.)

1 As a result, this action proceeds on Plaintiff's specific claim that Defendant Rudas was
2 deliberately indifferent to Plaintiff's serious medical needs by discontinuing his pain medications
3 only. (*Id.* at 2.)

4 Because the discovery deadline and dispositive motion deadlines previously set in this
5 action were vacated by this Court's January 2, 2025, order (*see* Doc. 45 at 3), the Court will reset
6 those deadlines.

7 **II. CONCLUSION AND ORDER**

8 Accordingly, this Court **HEREBY MODIFIES** the Discovery and Scheduling Order as
9 follows:

10 1. The Discovery Deadline is reset to **September 29, 2025**; and
11 2. The Dispositive Motion Deadline is reset to **December 1, 2025**.

12 IT IS SO ORDERED.

13 Dated: July 29, 2025
